About Threads of Hope

We are proud to present **Elizabeth Smart** as our keynote speaker at the sixth annual Threads of Hope event this fall, hosted by Hope United Survivor Network in partnership with The Cathy Mabry Cloninger Center and The Lighthouse Children's Advocacy Center. Elizabeth's powerful story of strength, resilience, and hope continues to inspire audiences across the country, and her journey was recently highlighted in the Netflix documentary *Kidnapped: The Elizabeth Smart Story*. We are honored to have her share her message with our community.

Threads of Hope has grown significantly in recent years, bringing our community together to support survivors and their families while raising critical resources that promote safety, healing, and hope. We invite you to be part of this incredible and meaningful event and join us in making a lasting difference for survivors and their families as they continue their healing journeys.
